Chief General Manager

Dear Shri Prabhat,

I have observed that your contribution in land allotment from Govt of Maharashtra under Marathwada division comprising of 8 Districts of BSNL (Aurangabad, Beed, Jalna, Nanded, Parbhani, Hingoli, Osmanabad and Latur) have been outstanding. BSNL requested 54 land parcels under category -I, which have not only got those lands allotted but you played a central role in allotment of additional 36 lands from category-II in these SSAs as well. Your liasoning and coordination with the Govt department is excellent. The above works were handled in addition to the regular works of DGM (Operations) of Aurangabad SSA.

I would like to place on record my appreciation and I am sure that you will continue your excellent contribution in the days ahead with the same enthusiasm and vigour.

Wishing you all the very best.
