Sub: BSNL Formation Day and Vishist Sanchar Sewa Padak Award
Distribution function on 01/10/2018 at Circle Office Mumbai -reg.
Ref: 1)DGM Admin Order dated 22.09.2018.
2) BSNL CO Order dated 20.09.2011.

Respected Sir,

It is good that Maharashtra Circle is going to celebrate the 19th BSNL day in Circle office Mumbai on 1st October. As per the DGM Admin order there will also be distribution of Vishist Sanchar Sewa Padak Award.

But we are surprised that, CGM is very well aware of the financial condition of BSNL and CGMT repeatedly pronouncing at each and every occasion even by warning every now and then that there is no money to pay even salary of coming month and CGMT is making certain efforts to arrange salary every month after this how DGM Admin Mumbai is issuing orders for celebration of BSNL day in lavish manner by arranging food for all participants with expenditure of lakhs of rupees. One Side Circle office is straightway deducting 12% from medical bill to reduce the expenditure and other side order is being issued for such lavish celebration.

BSNL Co has already issued clear guidelines for arranging such functions in **inexpensive manner**, copy of the letter attached for ready reference and here Maharashtra Circle is expending lakh of Rupees on this award function is not correct.

We are protesting such lavish expenditure and celebration as when BSNL is not in position to meet day-to-day expenses MH circle is expending lakh of Rupees on such function.

It is also learnt that in such prestigious function of Vishisth Sanchar Award Distribution, the function of TWWO is mixed and some certificates for TWWO members for their contribution within TWWO itself are being issued on this occasion thereby degrading the importance of the “**Sanchar Awards**” which is not correct and ethical and should be stopped.

In view of the above fact, it is request to take necessary action for curtailment of expenditure in the name of BSNL day celebration and also not to mix TWWO certificate distribution or any other program with Prestigious Sanchar wards Distribution function and maintain prestige of this awards and BSNL day celebrations.

It is quite possible to arrange such programs in our lavish air-conditioned Conference hall without any additional expenses on chairs , carpet, PA system etc. as is being done at present venue.

Hope the views of the all Unions and Associations of Mumbai circle office which are as per the BSNL CO guidelines will be given consideration and will not compel us to boycott this prestigious function of BSNL.
