## APPEAL

Respected Sir,

It is learnt that "TWWO" MH-Circle has organized Mela event at Mumbai on 08/02/2018 and some lucky coupons are printed by TWWO and staff and officers are compelled to sale/purchase of the lucky coupons. It is also understood that each SSA Head and GM /DGM level officers are given target to sale/purchase tickets which is not permitted as per existing guidelines on the subjects. Further it is understood that each SSA is directed to put one stall in this mela and some officers and staff is being deputed for same for each and every SSA. This is month of February and the works in filed units are in full swing to meet the targets and such diversion of manpower during this crucial period is not correct.

We would further like to remind you that entire work force (Employees & Officers) in MH-Circle, are observing agitation program as a part of nation-wide call by Central Head Quarters of all Unions & Associations. Much more anger and anguish is witnessed amongst the minds of employees and same is reflected in five days '**Satyagraha**' at SSA/ Circle level which is evident from wide spread participation of all employees.

The retrograde attitude of DOT and Hon. MOC in respect of 3<sup>rd</sup> PRC to BSNL Employees has spread deep unrest. Also formation of BSNL Tower Company by the cabinet, an attempt to destabilize and privatize vital Assets of BSNL has created anxiety and darkened the future of Employees and the Company.

At present due to stiff competition in Telecom sector, BSNL is passing through a serious financial crisis, which is experienced to be a threat to operation/ maintenance/ development work and salaries also. In such a critical scenario the employees, at large, are neither in a mood to celebrate any joyful event nor to do any extra expenses on it. Though it is being informed that all the expenses of Mela will be born by TWWO, but as CMD BSNL is attending this Mela as Chief Guest, much more expenses are

being done on backdrop and huge expenditure is going on for same and in present scenario when even payment of salary is in doubt as per your statement, it cannot be borne by BSNL. We all are protesting for our legitimate and genuine rights in 'Do or Die' spirit. Neither DOT nor the Government is taking its cognizance thereby adding fuel to the fire. We have left no alternative other than preparing for a serious protracted struggle as instructed by our CHQ.

Sir, considering our feelings of distress and anger we request you not to involve us in any celebrations at this juncture. It would be a proper response from your goodself if you suggest to organizers to defer the proposed event of TWWO at Mumbai on 08/02/2018 and also stop the BSNL expenses being made on organization of Mela.

Hoping for responsive cooperation.
