Date: 17.04.2021

To ,
The Chief Secretary
Government of Maharashtra
Mumbai

Sir,

Sub: Vaccination to BSNL staff all over Maharashtra reg...

BSNL is one of the major Government Telecom service provider and categorized in the essential services by Government of Maharashtra vide order no: DMU/2020/CR.92/DisM-1, Dated 13th April, 2021. BSNL providing essential services like Landline/ Broadband /FTTH, mobile communication , lease line etc. in every nook and corner all over India . Major Banks connectivity , Government offices connectivity depends on BSNL network. Hence to maintain these services BSNL staff has to attend the office / field on regular and daily basis.

Now again Covid -19 positive case have risen up in Maharashtra which has created fear and panic among the employees . Though enough precautions are being taken in the offices , section where public visiting for depositing payment , other issues and employees working in the field for maintenance of network , there are more chances of infection to the frontline staff.

To keep the moral up and confidence among the frontline staff while maintaining of the services without interruption, the vaccination to all the staffs is very necessary.

As on date Government of India has allowed the vaccination to the citizen aged above 45 years. However many of our frontline workers are below 45 years and they are continuously working in the field, for them also vaccination is very necessary to maintain the services properly.

Hence it is hereby requested to arrange to issue necessary instructions to concern authority to allow vaccination to all BSNL staff in all over Maharashtra irrespective of the age of the staff to enable us to maintain the telecom services in Maharashtra state without interruption.

(Ramakant Sharma)
Chief General Manager
