Chairman & Managing Director

No. 53-7/2019/NOFN/Ops

Dated: March 05, 2020

To

The Chief General Managers, BSNL  
All Territorial Telecom Circles

Sub: Attending Fiber Faults in BSNL's existing OFC under BharatNet.

Number of communications have been made by this office time to time regarding attending Fiber Faults in BSNL's existing OFC as well as the OFC leased out to BBNL for BharatNet. It is pertinent to mention that all out efforts are being made by BSNL C.O. to facilitate and equip Circles for this purpose such as allotment of funds for O&M activities, allotment of tools and testers like PON OTDR, power meters, splicing machines etc. and authorizing Circles to form FRTS along with vehicle in each SSA. Fiber maintenance shall be given top priority to increase the uptime of network elements.

Now, it is the time for Circles to effectively create and utilize the support facilities and open a Centralized Monitoring Cell at Circle level, to monitor Fiber Faults attended on daily basis and send the report to me on weekly basis at [nofnopertaions@gmail.com](mailto:nofnopertaions@gmail.com). Also, confirmation of having put a system in place in attached pro forma be given to this office by 11.03.2020 on the above mentioned email id.

With best wishes

Yours sincerely,

  
(P.K. Purwar)

Encl: As above.
