Dated 16th March 2021

To,
All CGMs- Telecom Circles/ Telephone Districts/Nodal Centres

Subject: Clarifications for M2M/IoT Tariff plans for Bulk Customers-Regarding

Ref: This office letter No. BSNLCO-VAS/19(11)/3/2020-VAS-CM dated 20.02.2021

With reference to the above cited letter wherein M2M/IoT Tariff plans for Bulk Customers were issued. North Zone Billing Centre and other field units have issued some of the queries.

2. Following is the para-wise reply of the queries raised by the field units:

a)

Sl.	Para	Query	Clarifications
1	3.1	These plans are for prepaid only?	Yes, these plans are only for pre-paid
2	3.2	Is this applicable to Postpaid also?	Applicable for both for pre-paid and post-paid
3	3.3	APN Charges: Charges may be taken over the counter as done for security charges. This may be done to avoid multiple charging, to ensure commitment period.	Following charges shall be taken over the counter: a) APN Charges b) Security deposit charges
4	3.5.5	as already shared is not feasible at POSTPAID.	When pooling of data will be feasible, the same shall be incorporated in both pre-paid or/and post-paid
5	3.5.8	Is this applicable for postpaid?	Applicable for both pre-paid and post-paid
6	3.5.9	What needs to be done and at which end?	As in Sl. 3
7	3.5.11	Is this applicable for postpaid?	Applicable for both pre-paid and post-paid

b. The case of relaxation of advance security deposit for Post-Paid SIMs provided to the Government/PSU bodies may be considered with the approval of Circle Head in concurrence with the respective IFA.

4. All other terms and conditions of the letter dated 20.02.2021 shall remain the same.

This is issued with the approval of competent authority.
