**Subject: Clarification on Policy guidelines on providing Last Mile Connectivity of Leased Circuits through 4F/6F overhead OFC laying OPEX model.**

Vide its letter no. KRLCO-12/16(11)/10/2020-EB/27 dated 18.01.2021, Kerala Circle has sought the clarification in reference to this office letter no. BSNLCO-LC/13(21)/1/2020-LC dated 02.11.2020. Similarly other Circles have been requesting for clarification on these guidelines. Some of the relevant queries are as follows:

1. *Is the annual equated installment mentioned is for one cable or one fibre or one pair of fibre?*
2. *Does the installment amount include end equipment like media convertors etc. or providing connectivity to the customer?*
3. *Clarification regarding minimum commitment.*

The case has been examined and accordingly, it is para-wise clarified that:

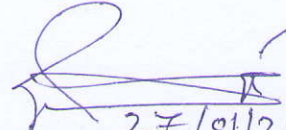

1. The annual equated installment mentioned is for one cable i.e. 4F/6F OFC.
2. The installment amount doesn't include end equipment like media convertors etc.
3. Further, the 4<sup>th</sup> & 5<sup>th</sup> line of Para 3.1 of this office letter of even number dated 02.11.2020 i.e. **"A minimum commitment of 500 meter work in each leased circuit has to be given which translates to Rs 6000/- per annum for leased circuits provided up to 500M"** is modified as below :

**"A minimum commitment of 500 meter work in each OF cable which is having minimum one leased circuit has to be given which translates to Rs 6000/- per annum for OF cable laying up to 500M"**

Similar modification in Para 3.2 is as below:

"A minimum commitment of 500 meter work in each OF cable which is having minimum one leased circuit has to be given which translates to Rs 7000/- per annum for OF cable laying up to 500M."

This is issued with the approval of competent authority.
