Sub: Review of facts of present District Body of Circle Office , Mumbai.

As per BSNL REA Rule 2014, the association shall abide by and comply with all the provisions of its constitution/bye-laws.

However it is learnt that Circle/District level the provisions made in the bye-laws / Constitution are not being followed. The relevant provisions of the SNEA bye-laws / constitution submitted for ready reference as follows.

As per the SNEA constitution, period of the district body is for two years and election at district level has to be held within the scheduled time period and in no case it shall be delayed beyond three months from the scheduled date.

However, it is observed that election of District Body of Circle Office, Mumbai was held on 15th September 2015 as per letter No. SNEA/Mumbai/2015-2016/15 dated 28/09/2015 and thereafter no communication has been received from District Association of SNEA Circle Office Mumbai for the election of new district body as per the provisions of the constitution of SNEA.

This is clear violations of provisions of your constitution. Further, the District body has availed the facilities of the Recognised Association including immunity from transfer for which otherwise the body would not have been eligible.

In view of above, you are requested to give explanation within 7 days of issue of this letter failing which necessary action shall be taken against the body under relevant provisions/rules of BSNL.
