

No. BSNLCO-NOFN/12/1/2020-NOFN OPN

Dated 17 12 2020

To
The Chief General Managers
All Territorial Circles
BSNL

Subject: Attending Fiber Faults in BSNL's existing OFC under BharatNet

I would like to draw your attention towards continuous pursuance of NOFN Operations Cell, including CMD DO letters dated 01.01.2020, 05.03.2020, 04.06.2020 and 27.10.2020(available on BSNL Intranet), regarding attending Fiber Faults in BSNL's existing OFC leased out to BBNL for BharatNet.

While reviewing the performance of BharatNet through Video Conferencing, it has been observed that a lot of Fiber Faults still pending with many Circles. It is pertinent to mention that BSNL Corporate Office has been extending its full support to Circles by providing Funds and material for O&M activities. Further, SJC and 24F OF cable has also been provided recently.

BharatNet Project is being monitored on regular basis by Honorable MOC and Secretary (T), and time line has also been given to BSNL by DoT, to attend the Fiber Faults in BSNL's OFC leased out to BBNL under BharatNet Project. In this regard, it is directed that Circles must rectify all Fiber Faults, as on date, on or before 28.02.2021.

With Best Wishes

Yours sincerely

V. Ramesh
