To, Chairman & Managing Director Bharat Sanchar Nigam Limited Bharat Sanchar Bhawan, Harish Chandra Mathur Lane, Janpath,

New Delhi - 110001

Dear Sir,

Sub.: Identification of Utilities along the proposed Mumbai-Nagpur High Speed Rail (MNHSR) Corridor.

National High Speed Rail Corporation Limited (NHSRCL), a Government of India undertaking, has been formed with an object to construct, maintain and manage the High-Speed Rail Corridors in India. NHSRCL, is currently implementing 508Km long Mumbai-Ahmedabad High Speed Railway (MAHSR) corridor.

Railway Board (Ministry of Railways) has entrusted NHSRCL the task of preparation of Detailed Project Report (DPR) for seven more identified High Speed corridors including Mumbai-Nagpur High Speed Rail (MNHSR) Corridor.

The proposed MNHSR corridor (approximately 739 km long) shall be majorly elevated (on viaduct) with minor tunnel section and primarily along the upcoming Samruddhi Expressway. Locations of stations are not yet decided. A preliminary and tentative route plan which is being studied is enclosed herewith for your ready reference.

NHSRCL is in the process of finalizing an agency for undertaking detailed survey on the proposed MNHSR corridor to ascertain the quantum of Utilities likely to infringe the proposed MNHSR at the time of construction. The survey is scheduled to commence by end-October 2020 and required to be completed in a time bound manner to pave the way for finalization of DPR.

This survey would require interaction with your organization especially regarding identification of infringing Utilities (e.g. Optical Fibre Cable (OFC) & other telecom assets belonging to your organization and lying along the corridor).

To discuss the modalities for survey and identification of Utilities, it is requested that a nodal officer at Corporate level from your organization may kindly be nominated and contact details shared so that our team may visit and hold discussions regarding way forward. Contact details of NHSRCL key officials are attached herewith for your ready reference.

A line in reply indicating the name & contact details of nominated officer from your end, shall be highly appreciated.

Yours Sincerely,

(Sandeep Kumar) <u>Director/System/NHSRCL</u>
