**Subject: Attending Fiber Faults under BharatNet**

As you are aware that BharatNet Project is being monitored by the Secretary (T), DoT, on weekly basis. It is pertinent to mention that despite so many communications regarding attending existing BSNL OFC Faults, not much progress has been observed as Fiber Faults are still very high in numbers. As per the BBNL NMS report dated 24.02.2020, districts of Maharashtra where Fiber Fault numbers are very high, are: Jalna (122), Nagpur (137), Osmanabad (128), Pune (110), Sangli (144) and Solapur (96).

You are advised to closely monitor the SSA wise performance and take suitable action against non performing officials and compliance be forwarded at [nofnoperations@gmail.com](mailto:nofnoperations@gmail.com), on every Friday, without fail.

  
(B. L. Varshney)  
Director (EB)
