Dated 9th October, 2020

Dear Shri Mishra,

I would like to draw your attention towards various communications from this office regarding improvement in OLT Up Time. Vide this office letter dated 03.09.2020 attention of Circles was drawn towards OLTs having less than 70% Up Time during three consecutive months June, July and August, 2020 which was to be followed with corrective action. In continuation, vide letter dated 18.09.2020, CGMs were requested to analyze OLT wise performance vis-à-vis BSNL's collocated equipment and were requested to ensure that OLTs Up time should not be less than BSNL's own network at that place.

From OLT Up Time report for month of September, 2020 it can be seen that in your Circle :-

1. Approximately 8.8% OLTs remain down at any point of time.
2. Only 71.5% OLTs have Up time more than 90% and
3. 7.2% OLTs have Up time less than 70%.

From the report of 09.10.2020 it can be seen that 1 OLT is down for more than 7 days due BSNL Media/Power and 2 OLTs are down for more than 3 days for BSNL Media/Power. These cases are needed to be attended urgently.

You may be well aware of the fact that now PMO is closely monitoring the progress even at Village level while the progress report of Unreachable OLTs is regularly being monitored by Hon'ble MoC, Sec.(DoT) & other higher authorities.

I would like you to analyze all cases of frequently down OLTs and OLTs with less Up Time in detail and take corrective action for such OLTs and ensure 99% up time of OLTs by this month end.

With best wishes,

(V Ramesh)
