**No. MHCO-SMCF/11(11)/4/2020-O/O GM SMCF-Part(1) Dated 29<sup>th</sup> January 2021.**

**Sub: Target achievement of LL, BB and FTTH for the months of Feb-21 and March-2021 for integrated Franchisees for CFA segment.**

**Ref: Letter No. (1) MHCO/SMCF/13(15)/1/2020 O/o GM SMCF Dated 19.12.2020**

Vide above referred letter it was emphasized to review the targets assigned for LL, BB and FTTH in Maharashtra Circle and to achieve the CFA revenue target for last quarter of FY 2020-21.

It has been observed that till date for the month of Jan-2021, achievement vs. target for CFA Segment -LL, BB and FTTH is very much reduced as compared to previous months and performance is far lagging behind the targets.

Enclosed herewith is the list of 161 CM Franchisees proposed to be integrated with CFA business. Some of them are already doing CFA business. Targets for LL, BB and FTTH must be assigned to these franchisees for the months of Feb-21 and March-21. SSAs shall target these franchisees and ensure performance monitoring for effective provisioning in CFA segment.

The procedure for booking LL/BB/FTTH by franchisees has already been circulated vide letter no. MHCO-SMCF/16/1/2020-O/o GM SMCF Dated-10-11-2020.

The performance is being continuously reviewed by the CGMT Maharashtra and all manpower and resources shall be geared up to achieve the targets for the last quarter of FY-2020-21.
