No: - 1-07/2018/SCP/Buss. Corr.

Dated: - 15.12.2020

To

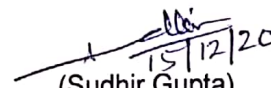

All CGMs
Bharat Sanchar Nigam Limited

Subject: Mandatory utilization of BSNL Network/Services in RFP for Port Blair and Moradabad Smart City Projects, reg.

You are aware that Department of Telecommunications, vide OM No. 19-1/2019-SU-I dated 12.10.2020, has mandated the use of BSNL network/services for Internet / Broadband and Landline / Leased Line by all Ministries / Departments of Government of India / CPSEs / Central Autonomous Bodies etc. under Central Government.

To capitalize this mandate, CGM A&N and GMTD, Moradabad (UP West Circle) approached the concerned authorities of Smart City Projects in respective Cities for incorporating the mandatory use of BSNL network/services in the RFP/Tender for Smart City Project/Solutions. Both the Smart City Authorities have, accordingly, issued corrigendum mandating for all the bidders to use BSNL's Internet / Broadband, Landline / Leased Line network/services for Smart City solutions.

These being the first precedences of its kind for Smart City Projects, these achievements of the Circle/SSA are being brought in the knowledge of all the Circles to follow the similar approach whenever such requirements or changes are to be incorporated in any of the tenders / RFPs invited by any such authorities and thereby ensuring participation and probable business for BSNL. Circles may contact SCP Cell/Management Consultant at BSNL CO for further details/assistance, if any, required in this respect.
