**No. 5-51/2016-CNO/Regions**

**Dated: 16.12.2020**

To

Chief General Manager  
All Maintenance Regions.

**Subject: Physical OFC route diversity of OF cable laid in common trench - Regarding.**

This office has previously taken up with all the Maintenance Regions (Now CN-TX Circles) for planning and execution from Project organization for providing route diversity to all such more than one OFC cables laid in common trench ( Except NFS common section). Accordingly many routes were planned in all Regions in various RTPCs, However, there is no feedback on those works in last 2-3 years in this Cell.

2.0 It is therefore, requested to kindly submit status of all such OFC routes planned and their execution status.

3.0 Also, if routes are not executed then they must be re-planned with CAPEX and material plan and approval taken from CNP cell if new/ or from CNO cell if patch work is to be done.

4.0 The above information may please be submitted by 31.12.2020.

This is issued with approval of Competent Authority.
