Dated at Mumbai 8th December 2020.

PRESS NOTE

BSNL Achieves the Milestone of 1 Million Bharat Fibre Connections

State Run BSNL achieves milestone of One Millions high speed Broadband Connections on Fibre (FTTH) all over India in spite of all odds during pandemic COVID19. In this Maharashtra Circle contribution is One lakh FTTH connections by 7th December 2020.

BSNL has introduced Fibre to The Home (FTTH) services with sturdy high speed (more than 100 Mbps), which has gained wide acceptance among masses due to its reach to the remotest corners of the country. It is the first choice of the customers due to its excellent speed, no hidden charges and completely transparent services to the customers. BSNL is providing this service through local unemployed youth and willing entrepreneurs on revenue share basis. This idea has received huge response by many of the locals all over Maharashtra and Goa state. With their active support, handholding and training by the staff and officers of BSNL, these new entrepreneurs has delivered excellent service to the customers over the period. It has also generated employment opportunities for local youths.

BSNL is providing affordable and high speed Broadband service with unlimited data and free Voice services all over Maharashtra and Goa state.

In small function arranged in the BSNL HQ Mumbai, Shri. Manoj Kumar Mishra, Chief General Manager Maharashtra Circle appreciated the efforts of all the Staff, Officers, Channel partners, TIPs, RBSPs, franchisees on this historic achievement

On the occasion, Shri. Mishra CGMT MH assured to the Channel partners that though there are some issues due to repeated OFC Cut in road widening activities and some issues in clearing revenue share of Business partners, his office is making all out efforts to overcome the hurdles so as to provide quality and prompt services to the customers. In conclusion he was optimistic on doubling FTTH connections in Maharashtra and Goa State within coming four months and firmly assured Customers and channel partners of strong and dedicated support from BSNL by all means in days to come. He specially appealed all TIPs/RBSPs and the BSNL workforce involved in FTTH Provision and Transmission system to come forward with problems and assured to resolve the issues systematically.

P. K. Singh,

**General Manager, S&M CFA and ITBP,
 % CGMT MH Circle Mumbai**
