Dated: - 22.05.2019

To,
 The CGMs,
 BSNL Telecom Circles,

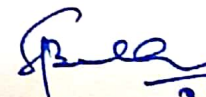

Sub: - Requisites for installation of Smart Poles at various 35 locations.
Ref:- PO No. GE/PO/O13/2018-19

Bharat Sanchar Nigam Limited CO has placed Purchase Order , referred above for purchase of 35 Smart Poles to be installed and commissioned at various 35 locations. In continuation to this approval of competent authority is conveyed that to carry the traffic of Smart Poles 10 Mbps MPLS connectivity is to be provided on each spoke location (smart pole installation site) and aggregate 350 Mbps MPLS bandwidth at hub location i.e., IDC Ahmedabad to cater the traffic of all 35 Smart Poles. Further each spoke location having 10 Mbps MPLS Bandwidth will be connected to the nearest MPLS router.

Since these Smart poles have been procured for showcasing BSNLs capability and also to fetch work from various SPVs/municipal authorities etc., therefore the MPLS bandwidth required for installation of Smart Poles is to be provided under service connection category.

Therefore it is requested to kindly arrange above at the earliest so that installation/commissioning work may be started at the earliest.

This issues with the approval of competent authority.
