Dated 3/4/2020

To

The BA/SSA Heads
 Raigad, Sindhudurg, Ratnagiri and Parbhani SSAs.

Sub: Regarding Special approval for hiring of vehicles for improvement of uptime.

It is seen that the BTS uptime in some SSAs are very low (<90%) and this is pulling down the availability of the circle as well. While reviewing the matter with SSAs, Raigad, Sindhudurg, Ratnagiri and Parbhani SSAs have expressed problems related to availability of transport as their current vehicle arrangements are either not working due to reasons such as pending payments or not sufficient to meet the situation.

Hence, approval is hereby conveyed to hire an vehicle from the approved agency [if they are ready] or on quotation basis. The payments can be approved by SSA head to be made from temporary advance if that is necessary to get suitable vehicles.

This approval is on a ONE TIME BASIS, for the months of April, May and June only or till the maintenance tender is finalised. Necessary departmental rules may be followed.

This is issued with the approval of CGMT with the concurrence of his IFA.
