Sub: Unusal deactivation of numbers in the month of Feb'21 & Mar'21 reg.

Ref: - email dated 18/03/2021 from Nodal Pune (email id: nodalinreport1@gmail.com)

With respect to above reference email received from BSNL IN Team Pune, they have observed that the first recharge of 367 numbers of Solapur SSA was done during 1st March'21 to 7th March'21 & all these numbers have been deleted through kenan in the same month ie. From 5th March'21 to 17th March'21 which is seems to be unusual.

After detailed analysis, it is found that total 1172 prepaid numbers were activated without FRC during Oct'20 to Dec'20 and 1017 numbers out of 1172 were ported out to other operators during the month of Feb'21 and March'21 (List is attached herewith).

As per the record, the above activations were done by the retailer (9405670074) under RD & DSA (9405700194) having same name & appears to be suspicious, which is loss of BSNL.

It is requested to check the CAFs & activations done by the above said retailer/DSA in the past and take necessary action to avoid CAF penalty in future.

Compliance report send to this office.
