No.8-23/2019/PHM (Pt.)

Dated: 26.07.2019  
30

To,  
All Chief General Managers,  
BSNL Telecom Circles/Telephone Districts.

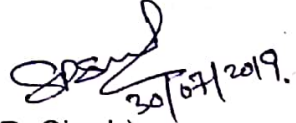

**Subject: Regarding LM Module being not used by SSAs.**

Kindly refer to this office letters dated 18.01.2019, 05.12.2018, 15.11.2018 and of all previous months under the subject "Measures to improve the performance on the front of Gross LL connections during the year 2018-19", where it has been informed to make use of Lineman module for monitoring the fault repair and provisioning of NTC and to monitor the performance of individual field staff. The letters dated 30.04.2019, 21.05.2019 & 20.06.2019 on the subject matter may also be seen.

It is hereby informed that as per ITPC report, 219 SSAs (i.e. 65.6% of SSAs) have not used the Lineman module during the month of June-2019. The circle-wise summary and list of SSAs for June-2019 is enclosed for your information. It is observed that none of the SSAs in AN, HA, JH, MH, MP, N2, OR & PB circles is using LM Module which is a matter of great concern. Whereas all SSAs in AP, CN, HP, KL, KO, KT, N1, TN & TS circles are successfully using LM module which is highly appreciable.

It is further requested to take necessary action for use of Lineman module in all SSAs, to improve the performance of Landline segment in your circle.

Encl. : As above
